

DOG TRAINING CLASSES at CVHS DOVER NH!

**Taught by Sue Carney
of Sue Carney's Real Live Canine Academy**

Real Life 1 – This beginner class is great for the adolescent dog that has yet to go to a class or new adopters trying to help a dog transition and get (better) all around behavior. We will teach the basics: sit, down, stay wait, and off but more importantly help you with jumping, pulling, separation anxiety, barking, and reactive behavior.

Class is 1 hour a week for 5 weeks - \$125 (discount for CVHS adopters \$115)
Wednesday nights – 6 pm – AT CVHS – from July 14th to August 11

Top 5 Trouble – Got behavior that's driving you crazy but don't need a class? Or maybe you need a class but cannot commit to 5 weeks. Consider this class that takes 1 hour and addresses 1 subject, each week! Take one, take two or take them all.
